

1) **Electronic Ticketing.** Please remember that only electronic ticketing will be utilized during the tournament. This means that there should be **NO CASH Sales** at any tournament venue. Please help us communicate this fact to your student-athletes, coaches, parents, fans, and any other parties wishing to attend the tournament. Tickets will go on sale for Saturday's quarterfinal games at Noon tomorrow (Thursday) at [njacsports.com/tickets](http://njacsports.com/tickets). Tickets for Tuesday's semifinal games will go on sale at Noon on Sunday. **For those hosting tournament games, your staff should scan tickets until there are 5 minutes remaining in the third quarter of your game.** Ticket prices are \$11 for adults; \$6 for children, students, and senior citizens. There are no complimentary tickets for NJAC Championships, but NJAC scouting passes should be honored. Remember to display at least one of the NJAC electronic ticketing posters that I delivered to your campus. Remember that a Board decision was made to make all venue tickets first-come, first-serve, meaning that there are no guaranteed allotment of tickets for any team (home or away).
